About your Schedule of Benefits

This Schedule of Benefits describes your Health Maintenance Organization (HMO) health insurance policy provided by Hometown Health Plan, Inc. that is licensed by the State of Nevada to provide or arrange for the provision of health care services on behalf of its members.

Network

Following the terms of your HMO plan, adult Members must choose a Renown, Geriatric Specialty Care, Alpine Family Medicine, Virginia Family Care Center or Reno Family Physician PCP on the Renown HMO Network at the time of enrollment or HTH will choose one based on Your geographic location. In addition, if you have a child enrolled in coverage, HTH will permit you to designate any pediatrician, Renown or Community, as the child's PCP if such pediatrician is an In-Network provider. HTH will permit your child to see an In-Network primary care provider as their pediatrician if pre-notified prior to services received of the primary care provider your child will be seeing. There is no coverage for services outside the Network unless the services are rendered as part of an Emergency Room or Urgent Care Center visit, or they have been previously approved by Renown to be paid at the HMO Benefit Level. Additionally, You must receive a referral from Your PCP prior to receiving services for specialty care.

Prescription Drug Coverage

Members must utilize the Hometown Pharmacy Network. This Policy does not cover drugs which are purchased from pharmacies that are not part of the Hometown Pharmacy Network. Members must work with their doctors to select drugs that are included in members plan specific Hometown Drug Formulary. This Policy does not cover drugs which are not included in the Hometown Drug Formulary.

Geographic Service Area

Please refer to your plan's Evidence of Coverage (EOC) for specific details about member eligibility, geographic service areas, and residency requirements.

Minimum Essential Coverage

This Benefit Plan is considered Minimum Essential Coverage as defined by 26 U.S.C. § 5000A(f) and its implementing regulations.

Your Deductible and Out-of-Pocket Maximum

This Benefit Overview describes your coverage and Cost Sharing Amounts, including Deductible and Out-of-Pocket Maximum.

| General Cost Share & Features | In Network | Out of Network |
|---|---------------------------------------|----------------|
| Deductible: - Per Calendar Year - Medical and Drug Combined - Some services do not apply to the deductible, as indicated below. | \$5,000/Individual \$10,000/Family | Not Applicable |
| Out-of-Pocket Maximum: - Per Calendar Year - Medical and Drug Combined | \$8,500/Individual \$17,000/Family | Not Applicable |

Deductible

If you are the Subscriber, and the only Member covered under Your Plan, the Individual Deductible amount applies. If You have other Family Members on Your Plan the Family Deductible amount applies. The Plan has an embedded Individual Deductible within the Family Deductible. If one Family Member meets the Individual Deductible his or her benefits will begin. Once the total Family coverage Deductible is met benefits are available for all Family Members. No one Member can contribute more than their Individual Deductible amount to the Family Deductible. Copayment or Coinsurance amounts a member pays for services shown as covered without a Deductible will not count toward meeting the Individual or Family Deductible.

Out of Pocket Maximum

If you are the Subscriber, and the only Member covered under Your Plan, the Individual maximum applies. If You have other Family Members on Your Plan the Family maximum applies. Under Family coverage the Individual maximum applies separately to each covered Family Member. Once the total Family coverage maximum is met the Family maximum amount is satisfied. No one Member can contribute more than their Individual maximum amount to the Family limit.

The Out-of-Pocket Maximum includes Deductibles, Copayments and Coinsurance. The Out-of-Pocket Maximum does not include Premiums, expenses associated with non-covered services or denied claims, Ancillary Charges and amounts that Non-Participating Providers bill and are payable that are greater than the Allowed Amount.

Amounts paid by a drug manufacturer which offer copayment offset programs (also called copay savings cards or coupons) do not count toward meeting the calendar year Deductible or Out-of-Pocket Maximum, only in the event that a generic drug is available. You may continue to use these copay cards/coupons to help reduce Your out-of-pocket costs, however, the dollar value of the card/coupon does not apply toward your Deductible or Out-of-Pocket Maximum under Your plan since You don't pay that amount. Only the dollars You actually pay out of pocket will count toward Your annual Deductible or out-of-pocket totals.
